

THINKER WITH A MISSION, LEADER WITH A HEART

In CJC, you will find differentiated academic programmes, and a robust and caring learning environment to support every CJCian. Our strong student development and leadership programmes are designed to inspire all CJCians to lead with purpose and serve with passion. The CJC student is at once bold, creative, inquisitive and not afraid to explore beyond limits. We believe in the all-rounder who wants to excel in and beyond academic performance. Excellence in learning and living is our vision. Our rigorous academic and co-curricular programmes offer myriad opportunities that develop the mind, heart and spirit.

Our family of educators hope to excite bright minds and ignite a deeper understanding of the world. We foster the life skills, people skills, critical thinking and confidence that mark proud generations of CJCians. We see the importance of character and values in an inter-connected, fast-changing world and we hone these through the service learning and attachment opportunities available to CJCians.

Every CJC student will become a Thinker with a Mission, Leader with a Heart.

In Veritate et Caritate.

"Perched on a hill above the busy hum of Whitley Rd lies the vibrant and exciting community of CJC."
- Bro. Joseph Kiely, Principal (1982)

CJC CARES

A teaching and learning approach designed by CJC to engage every student holistically, our **CARES** Learning Protocol encourages you to

Collaborate with your peers to create a positive learning environment

Act on feedback given by your tutors

Reflect on your learning every day

Engage actively in tutorials & lectures

be **S**elf-directed and cultivate ownership of your education

FIND YOUR NICHE

CJC's signature programmes are designed to stretch selected students and develop critical thought and passion for learning.

The Ignite Programme

Questions, not answers, are the source of true knowledge. The CJC Ignite Programme is designed for the boldly curious. Our **seminar-style integrated curriculum** gives you opportunities to ask difficult questions and emphasises an **interdisciplinary approach to knowledge**, promising a fuller understanding of theory and issues on the ground.

Some highlights include a **residential programme** in NUS combining academic and social inquiry with seminars by NUS lecturers as well as various **conferences** such as the S Rajaratnam Lecture organised by the MFA Diplomatic Academy.

English Language & Linguistics Programme

CJC is one of three English Language Elective Programme Centres in Singapore. As part of the vibrant ELL programme, you have opportunities to engage in various academic endeavours focused on **authentically experiencing the English language**, such as the Work Attachment Programme, research projects on spoken texts, as well as workshops and learning journeys conducted by university lecturers and experts.

BE EXCELLENT

Scholarships offered at CJC

The **Archbishop's Scholar (Academic)** is recognised for their strong academic achievement, leadership qualities and service to the community.

The **Flame Scholar (CCA)** possesses exceptional strengths in leadership and co-curricular areas and demonstrates a commitment to serve the community.

The **ELL Scholar** has a flair for the English language and a keen interest to pursue English Language and Linguistics at the pre-university level.

RUN THE WORLD

With our links to distinguished academic institutions all over the world, opportunities to discover your passion and widen your learning abound in CJC:

- History Enrichment Trip - Vietnam
- Overseas Geography Enrichment Trip
- University Immersion Trips - Bangkok, Thailand
- Oratorical Society - Model United Nations & Harvard Model Congress Asia Conference (HCMA)
- H3 Opportunities - Science Research Programme, Mathematics, Economics, History, Geography, Literature

FORCE FOR GOOD

Our **strengths-based Student Development programme (SD)** seeks to form spirited individuals ready to serve the community. We challenge you to be compassionate and kind as we navigate the complexities and moral dilemmas of our time.

Using the **social change model of leadership development**, the SD programme will bring you through a **deepening spiral of growth**, where your talent themes help you discover the best version of yourself, allowing you to build meaningful relationships and be a positive agent of change for the community and world around you.

Our Overseas Service Learning trips to countries around the region like Thailand and Vietnam push you to be an advocate for issues beyond our shores.

Potential Development

Experience the real world as we know it.

The **Potential Development Programme** aims to guide you to make meaningful career and higher education choices based on your values, strengths and interests.

Our **Work Attachment and Shadowing Programme (WASP)** provides you the opportunity to hone important soft skills required at the workplace. Apply your classroom learning in our WASP organisations and be better equipped for your future.

Servant Leaders

We believe in developing you to lead and serve in all areas of life. Our Student Leaders play significant roles in contributing to the culture of the College, which values the voices of all students, grants opportunities to all students to lead, serve and develop, and inculcates a vibrant sense of inclusiveness and belonging.

Seize opportunities to understand your own leadership philosophies and make connections with other Student Leaders, through annual platforms like the Leadership Training Camp, and the Leadership Conference.

#whyCJ

Our Lit Evening isn't just centred on the academic aspect of our texts, but also the artistic and emotional interpretation of them - it's lit, we promise.

Our annual rock concert is better than your annual rock concert. #ROCKABELLA

We celebrate everything together - and our joy is infectious!
